CITY COUNCIL MEETING OF: FEBRUARY 7, 2007

GARY REESE, STEVEN D. ROSS; (Against-None); (Abstain-None); (Did Not Vote-STEVE WOLFSON); (Excused-None)

Minutes:

DEPUTY CITY MANAGER FRETWELL detailed the amendments being sought to the City Charter, as outlined under the Purpose/Background section. She remarked that the Charter has not been opened up for a long time. Moreover, staff would come back with briefings before any Bill Draft Request is drafted and a sponsor will have to be found.

COUNCILMAN ROSS asked if the addition of a traffic master would result in a revenue increase, to which DEPUTY CITY MANAGER FRETWELL indicated that it would allow for a more consistent revenue base and will create efficiencies in the court system.

COUNCILMAN WOLFSON confirmed with DEPUTY CITY MANAGER FRETWELL that this is only enabling legislation, and then questioned the timeframe for the amendments to take effect. DEPUTY CITY MANAGER FRETWELL answered that the effective date would probably be October 1, 2007; however, staff could request an implementation date of July 1, 2007. COUNCILMAN WOLFSON stated he would like more information on what other jurisdictions are doing in this regard. DEPUTY CITY MANAGER FRETWELL said she would be happy to provide him with comparative data.

MAYOR GOODMAN requested DEPUTY CITY MANAGER FRETWELL work closely with CHIEF KAREN COYNE, Detention and Enforcement, regarding enabling legislation for the employment and training programs through the EVOLVE program, with special emphasis on being able to monitor the homeless in the system. Tracking them will better enable service providers to assist them in making a successful transition back into society. DEPUTY CITY MANAGER FRETWELL noted that there might be bills considered during this legislative session that will authorize home rule, which is something greatly needed in order to keep up with the difficulties and challenges of a growing community.
